

You Wouldn't Know Love

Guitar Solo as Performed by Michael Landau
Michael Bolton

Standard tuning

♩ = 113

od.guit.

The image displays a guitar solo for the song "You Wouldn't Know Love" in standard tuning. It consists of three systems of musical notation. Each system includes a treble clef staff with a key signature of one sharp (F#) and a common time signature (C). The first system starts with a bar line and a "w/bar" instruction. The second system begins with a measure containing a "T" (trill) and "full" (full bend) instruction. The third system starts with a measure containing a "T" and "full" instruction. The notation includes various techniques such as bends (labeled "full", "1/2", "3/4 full"), triplets, and vibrato. The fretboard diagrams below each staff show the corresponding fingerings and fret numbers, including barre positions (7, 8, 15, 17, 19) and specific fret numbers (e.g., 7, 10, 5, 8, 12, 13, 15, 17, 18, 19). The notation is written for an electric guitar.
